About the Contest

The Sunrise Corner Geocache Challenge & Contest is a great way to get out and see more of Sunrise Corner! Permanent metal monuments and caches (sealed containers) are installed by attractions and historical sites around the RMs of Piney and Stuartburn. The contest starts September 1, 2017, but the caches will be listed on the official geocaching website geocaching.com so you can geocache any time!

Prizes

There are 13 monuments installed around Sunrise Corner. The first 100 participants to find all 13 will receive a Sunrise Corner backpack. Post a selfie with the monument using our hashtag: [#sunrisegeocache](https://www.instagram.com/explore/tags/sunrisegeocache) and be entered to win a grand prize, hanging welcome sign!

How to Geocache

1. Enter the GPS coordinates into your GPS/geocaching app, or GPS device
2. When you find the monument, log your find in the paper log you'll find in the cache or on geocaching.com
3. To Win: Take a selfie with the monument.

When you've found all 13 monuments, submit your pictures to: info@sunrisecornermb.ca
